We plan to increase RENEEFLUOR E. APELO's monthly Supplemental Security Income (SSI) payment from \$873.87 to \$889.87 beginning January 2025. The amount will change because of a rise in the cost of living. She will continue to get the new amount each month unless there is a change in the information we use to figure her payment. The new amount includes \$245.20 from the State of California.

The rest of this letter explains more about RENEEFLUOR E. APELO's SSI payments. It also tells you how to find affordable health care.

We explain how we figured the monthly payment amount on the worksheet(s) at the end of this letter. The explanation shows how her income, other than any SSI payments, affects her SSI payment. We include explanations only for months where payment amounts change.

When You Will Receive Her Payments

Your bank or other financial institution will receive her monthly payment of \$889.87 around January 1, 2025, and on the first of each month after that.

Information Used In Making The Decision

Our records show that the following income used to figure her payment has also changed--

The food and shelter she receives in someone else's home or apartment for November 2024. We are raising the amount we count for this help to \$322.33 beginning January 2025. The law requires this change when there is a cost-of-living increase in SSI payments.
